Dear Ms. Tyndle:

This letter is in response to your letter of May 28 regarding some problems with our Twelve Days before the Primary Report that we filed on April 26. Attached is an amendment to correct the list of problems that your letter detailed. Questions were raised about the following:

--All employer and occupation information for individuals who contributed more than \$200 in a calendar year has been included in the amendment.

--Column B figures for the Summary and Detailed Summary Pages have been corrected to reflect only the year-to-date totals for the calendar year 1996. The previous report mistakenly reported the totals for the Election Year Cycle.

-- We incorrectly listed a PAC contribution as an individual contribution under line 11a(1). We corrected this mistake and listed the contribution under 11(c).

Boucher for Congress apologizes for these errors. We have consistently disclosed more information than required and made a concerted effort to follow the FEC guidelines carefully. Thanking you for your time in advance, I am

Sincerely,
